1972 OFFICIAL VEHICLE PASSES MAILED TO DEPARTMENTS

The 1972 Official Vehicle Passes for distribution to holders of car passes have been mailed to all departments and contractors offices. These passes are self-gummed and only need to be moistened, then stuck to the windshield. The 1972 car passes should be stuck on the windshield before November 1, 1971, as on this date the 1971 passes will not be accepted for entrance to the refinery at the gates.

In order to avoid confusion at the gates, all old passes should be removed from the windshield.

Employees' cooperation in passing on the above information is highly appreciated.
